- d. No visitors shall be introduced under this rule on Saturdays, Sundays or legal holidays, except in the months of July and August, or on any day when the House Committee shall suspend this rule by notice posted not less than twenty-four hours in advance.

11. No member shall have more than one guest introduced as a visitor at any one time.

12. The privileges of visitors may be terminated at the discretion of the House Committee.

13. Residents of the City calling on members or visitors shall be admitted to the Strangers' Room only, and until further notice, when accompanied by a member, to the main hall.

14. None of the privileges of the Club shall be extended under these rules to any person under the age of eighteen years.

RULES OF THE COMMITTEE ON ADMISSIONS

The attention of members is called to the following Rules of the Committee on Admissions, as recently amended:

RULE V.—A stated meeting of the Committee shall be held on the first Wednesday evening of each month, except the months of July, August and September. The hour of such meeting, unless otherwise determined by the Committee, shall be half-past eight o'clock.

CANDIDATES FOR ADMISSION

RULE X.—Candidates may be proposed for membership at any time after they have matriculated in regular course at a College or University conferring degrees to obtain which at least three years' residence and study are required.

The proposer and seconder of each candidate shall sign a blank form to be supplied by the Committee on Admissions and state the full name, residence, place of business, and profession or occupation of the candidate, the name of the College or University from which he was graduated or at which he is a student, the year of his graduation, past or prospective, and the degree received or to be received by him. If the candidate holds a degree they shall also state the number of years he actually spent as a student in residence at the College or University conferring it, and if while studying for a degree he was in residence at more than one, the names of and length of residence at each.

If the eligibility of the candidate depend upon an honorary degree, the fact that the degree is honorary, and the year when conferred, shall be stated.

The signed form shall be filed with the Committee, and if in proper order, the candidate shall be immediately posted. If not in proper order, it shall be returned for correction and the candidate shall not be posted until the correction is made.

A member desiring to be substituted in place of an original proposer or seconder, may authorize the Secretary of the Committee to sign his name as such on the filed form, provided the authorization is made in writing and states the reasons for the proposed change. A copy of the form as altered shall be sent to the substitute.

Letters of recommendation shall also be required from the proposer and seconder.

Further letters respecting the candidate are requested from other members of the Club.

No candidate undergraduate at date of posting shall be elected until his proposer or seconder shall have notified the committee in writing of the conferring of the degree, its title, its date and the number of years he actually spent as a student in residence at the College or University conferring it, and if, while studying for a degree, he was in residence at more than one, the names of, and length of residence at each. If an undergraduate candidate shall fail to receive his degree, his proposer or seconder shall notify the Committee to that effect in writing and his name shall be stricken from the list.

RULE XI.—At each meeting the Committee shall take up for election the names of candidates who have been duly posted, beginning at the top of the list. Preferences, however, may be given to a candidate of special distinction, or, for special reasons, to a candidate who has held the degree which renders him eligible for election for at least twenty-five years, provided that such preference shall have been granted at a previous regular meeting of the Committee by the unanimous vote of the members present. The name of a candidate to whom such preference is granted shall forthwith be specially posted, and may be voted upon at any subsequent regular meeting. Not more than ten candidates thus preferred shall be elected during any one calendar year.

When the name of any candidate shall be reached for consideration, if it then appear that no letter has been received from the proposer or seconder, or that the candidate

is not personally known to the number of members of the Committee present required by Rule XIX, or that there is insufficient information before the Committee for final action upon the candidate, the name shall be passed and the proposer and seconder immediately notified that when the name shall be again reached for consideration if the necessary requirements under the rules of the Committee have not been complied with, or if the information before the Committee respecting the candidate is still insufficient, the name will be rejected, unless special considerations are brought to the attention of the Committee, when, upon vote, the name may be again passed, or removed to the foot of the list, or transferred to the special list.

The Committee, may on the written request of the proposer or seconder of a candidate, and when the name is reached in regular order, place it at the foot of the list, or set it back any number of names not less than fifty. When the name is again reached, no further postponement shall be granted unless sufficient reason is shown for transferring it to the special list. This provision shall not apply to names which have been moved to the foot prior to March 8, 1917, and to which no further postponement shall be granted.

If a candidate other than the holder of an honorary degree shall reach the head of the list before the expiration of three years from the date of receiving his degree, he shall automatically move to the special list until the three years shall expire, when he shall automatically return to the head of the list from which he moved, and thereafter, all other provisions of this rule shall apply to his name.

RULE XII.—The President of any University or College, the degrees conferred by which qualify a candidate for election to membership in the University Club, shall be entitled to a preference.

The names of candidates who have previously been members of the Club, and have resigned in good standing, shall be entitled to a preference and shall be especially posted as such.

The name of an Army or Navy candidate who is in active service, or of a candidate who is a member of the diplomatic corps or consular service of a foreign government accredited to this country may be considered at any meeting upon special vote of the Committee.

RULE XIII.—All Army and Navy candidates shall be placed on a special list, to which may also be transferred on vote of the Committee all candidates on whose behalf an indefinite postponement shall be requested; and names on said list, other than Army and Navy candidates, shall be considered only on motion of a member, at any time after such name would have been reached in regular order if it had been retained on the regular list.

RULE XVIII.—A candidate for Non-resident membership shall not be considered by the Committee unless a letter respecting his candidacy has been received from a Resident member of the Club.

RULE XIX.—Candidates for Resident membership must be personally known to at least three members, and candidates for Non-resident membership must be personally known to at least one member of the Committee present.

RULE XX.—The name of a candidate who has been duly proposed and seconded shall be immediately posted although the degree held by him or for which he is a candidate shall not have been approved by the Council and although three years shall not have elapsed since his graduation.

WALTER C. WYCKOFF,
Secretary, Committee on Admissions.

RESOLUTION OF THE COUNCIL

Passed March 13, 1899

No member of the Council shall hereafter propose or second a candidate for membership in the Club, nor write any letters in relation to any candidate proposed.

THE LIBRARY

REPORT FOR THE YEAR

FROM MARCH 1, 1918, TO FEBRUARY 28, 1919

The number of volumes in use on Feb. 28, 1919, was: 36,952. 1382 volumes were added during the year, and 14 volumes discarded, making a total increase of 1,368 volumes.

GROWTH OF THE LIBRARY DURING THE PAST TWENTY YEARS:

BOUGHT	BOUND	GIVEN	TOTAL	COST
18,045	1439	5816	25,300	\$50,954.06

GROWTH OF THE LIBRARY FOR 1918-1919:

BOUGHT	BOUND	GIVEN	TOTAL	COST
899	28	455	1,382	\$3,137.71

The 28 volumes bound represents an outlay of \$52.55, and 68 volumes were rebound at a cost of \$76.65.

Total running expenses of the Library, exclusive of salaries:

Books and binding	3,137.71
Periodicals (231) and out of town newspapers	
(23)	1,304.86
Miscellaneous	331.57

Total.....\$4,774.14

The cataloguing has been brought up to date. The cards printed and issued by the Library of Congress are used so far as possible.

Members of the Club may have the opportunity of purchasing discarded books at 25 cents a volume. Such books must be tied up in packages by one of the Assistant Librarians before being removed from the Club House, and each volume must be stamped "Discarded."

The Library has on hand, either in bound volumes or filed for reference, over 150 sets of periodicals, though not all of them are complete. The rule now adopted is to retain for binding or filing all that are indexed in Poole's and Wilson's indexes, accepting, so far as it goes, the judgment of the index-makers on the question of permanent values. Because of their bulk these indexed sets of periodicals are kept mainly in the storeroom and in the corridor of the first bedroom floor, which has been shelved. The college memorabilia collection has also been moved to this new shelving.

About 35 unindexed periodicals are also permanently retained. All other periodicals coming into the Club are kept on file not less than six months, but at the end of June and December of each year, such periodicals, up to six months previous, are discarded.

The New York newspapers are held for reference for six months back from the current date, and a duplicate file running five weeks back is kept for clipping purposes. The file of the London Times dates from 1899, the New York Tribune, bound, from 1861 to 1913 inclusive. Since 1914 the New York Times has been substituted for the Tribune, for the reason that the Tribune has discontinued its Index since 1906, and the Times now issues both Index and monthly bound volumes of the paper. The London Daily Mail, Manchester Guardian and Paris Figaro and Temps are held for six months back; the following out-of-town newspapers for five weeks.

Albany Knickerbocker Press—Atlanta Constitution—Baltimore Sun—Boston Transcript—Chicago Tribune—Genève, Journal de—Hartford Courant—Indianapolis News—Louisville Courier-Journal—New Haven Journal-Courier—New Haven Register—New Orleans Times-Picayune—Philadelphia Public Ledger—Portland Oregonian—Providence Journal—St. Louis Globe-Democrat—San Francisco Chronicle—Springfield Republican—Washington Post.

The demand for novels and other books of ephemeral character will continue to be supplied through a subscription

library. The regular deliveries are made on Mondays. Single volumes can usually be obtained from the New York Society Library within a few hours. Orders for books should be left with the Assistant Librarian.

The current issues of the catalogues of American and foreign booksellers and publishers are kept on file.

Members using the Library for investigation and study have the privilege of drawing on the resources of the Columbia University Library and the collections of many university and other libraries. Requests for books under the above arrangement must be made through the Librarian of the Club.

Lock boxes in the Writing Room, built for the accommodation of private papers, manuscripts, and books, are rented to members at the rate of 25 cents a month. Private shelves are reserved in the West Room for the same uses.

The Club is desirous of obtaining copies of the Club Annual for 1865, 1867, May 1879, June 1879, January 1880 and December 1881, to complete its duplicate files. Any member possessing the Annual for one or more of these years would confer a favor on the Committee by donating the same to the Library.

The Club has received an additional gift from Mr. A. Barton Hepburn of securities which have a market value of about \$12,000.00, and which are expected to yield about \$800 per annum for the use of the Library.

Attention is called to the following as among the more important additions of the year.

OUR NEW GRILL ROOM

In developing plans for the new grill room which is shortly to be opened for service, the council deemed it wise to attempt a room more intimate in character and more reminiscent of American university ideals than supplied by the rooms of the rest of the building. With the ever present purpose in mind of constructing and furnishing a room of a type, such as might have been attached to an American university in the middle of the eighteenth century (had the meager financial resources of any of our early colleges allowed such a room) the council decided upon replicating the panel work of a room, formerly the drawing room of "Marmion," one of the famous colonial mansions built in the middle of the eighteenth century, on the shores of the Rapahannock River, and recently acquired by the Metropolitan Museum, but as yet not opened to public inspection.

The main feature of the woodwork, the characteristic grouping of panels over the fireplace, the heavy overhanging cornices, the cupboards, the pilasters, the hardware, as well as the form and irregularity of the size of the paneling of this delightful old room have been faithfully reproduced. American walnut has been substituted for the Virginia pine of the original; the scale has been increased one-eighth in keeping with the larger proportions of our grill room. The banister back chairs and "gate-leg" tables are exact reproductions of old American made furniture of the period owned and on exhibition at the Metropolitan Museum.

The lighting fixtures are an anachronism, as all electric lighting must be. With the view of avoidance of the glare of side lights so disturbing to the eye the present type of fixtures was decided upon; the principal decorative motive of these was suggested by the design stamped on the binding of a book bound in this city early in the nineteenth century. Accessory to this grouping of the symbols of the ele-

mentary education, may be seen reproductions of the printers' marks used by Caxton, Plantin, the Aldine, Elzevir and other famous presses, devices which were more familiar to our early American college students than to the students of to-day.

The choice old Sheffield plate candlesticks on the tables are the delightful gift of one of our members, John Markle, Esq.

The Americanization of this room will be accentuated by the hanging on the walls of a few of our engravings of men prominent in our early college, civil and military life; many of these men were the recipients of honorary degrees from our colleges in the eighteenth century. Our print collection is already a note-worthy one and is composed of prints of the kind which might have been hung in any of our early college assembly rooms during that eventful period when this republic of ours was in the process of making. Necessarily these splendidly characterized faces on the walls must recall the part played by our colleges, their professors, students and graduates in the building up of our national spirit, that precious heritage brought into being in the eighteenth century and handed down to us Americans of to-day.

Another touch of 18th century college life, as well as a reminder of our own college days, is added to the room by massive silver pint mugs, replicas in form, workmanship and engraving of one hammered out and engraved by that active Son of Liberty, Paul Revere—a presentation gift from a group of Harvard students in 1768 to a favorite tutor. The character of the original engraving has been faithfully reproduced. Above the inscription may be seen two volumes—"Locke's Essay" and "Price's Mor"(als), books in the college curriculum as well as prominent in the political philosophy of the day; the one by the author of the Constitution of South Carolina, the other "A Review of the Principal Questions in Morals" by Richard Price,

that ardent lover of civil and religious liberty, intimate of Franklin, and active wielder of pen in behalf of the rights of the American colonies.

The inscription on the original

DONANT

has been slightly altered. The Latin term indicative of the donors' alma mater has been substituted for "Harvardinates"; the date has been changed to that of the givers' graduation year, and in place of the name of the original recipient appears that of some college president, or professor, whose formative influence on college men, the donor has selected to memorialize in a room dedicated to good fellowship between university graduates.

Upon the bottom of each mug appears the name "University Club, Ex dono" and the individual giver's name.
